BENEFICIARY PROFILE

Jonathan Oladeji

Jonathan Damilola Oladeji, a Nigerian, received his first degree in Estate Management from the Obafemi Awolowo University in Ile-Ife, Nigeria. With support of the IREBS Foundation for African Real Estate Research he is currently pursuing a Masters Degree in Real Estate at the University of Pretoria, South Africa

His research into "Identifying Reliable Indicators for Developing Predictive Rent Models in Nigeria, using a comparative study of South Africa" is aimed at closing a gap in current market data available in Nigeria. It will contribute to increase market transparency, reduce risk and thereby facilitate real estate investments and enhance inclusive housing policies in Nigeria and African economies in general.
