

BENEFICIARY PROFILE

Joseph Oyewale Oyedeji

Joseph Oyewale Oyedeji is a Lecturer at the Department of Estate Management at The Bells University of Technology in Ota, Nigeria.

The IRE|BS Foundation grant helped him in paying his PhD school fees in the 2015/2016 and 2016/2017 academic sessions.

The grant helped specifically as he attends a private university with no provision for payment of staff school fees. Joseph transferred his studentship to The Bells University in the 2016/2017 academic session after the completion of the National University Commission (NUC) accreditation of postgraduate program in Estate Management in my university.

Presently, his complete PhD thesis has been sent out for external assessment before his final PhD viva, scheduled for early 2019.

And Joseph adds: *“I really appreciate the foundation because without the support I would have been unable to commence the program at the time I started”.*

Category of Funding (2017):
Tuition Fee Support
